ITB TECHNICAL APPROVAL AT-15-9651/2016

Pursuant to the Regulation of the Minister of Infrastructure of 8 November 2004 on the technical approvals and bodies authorized to issue them (consolidated text: Journal of Laws of 2014, item 1040), as a result of the approval procedure conducted at the Building Research Institute in Warsaw, as ordered by:

3THERMO Sp. z o.o.
ul. Podolska 24, 60-615 Poznań

It has been concluded that the following product:

3THERMO concealed radiator for radiant heating

is suitable for using in the building industry within the scope and in accordance with principles specified in the Appendix, which is an integral part of this ITB Technical Approval.

Valid until:

6 May 2021

DIRECTOR
of the Building Research Institute

Marcin M. Kruk, PhD Eng.

Enclosure:

General and technical provisions
